

## Wage Garnishment ADP App Set Up

ADP has a resource for wage garnishments that associates can access through MyADP, available at [my.adp.com](http://my.adp.com) or through their free ADP Mobile Solutions App available at the Google Play™ store or Apple® App Store.

This feature allows associates to do things like view wage garnishment details, see deductions, download copies of orders and letters sent by ADP, view and export payment histories, and sign up for email notifications for things like releases and payment refunds.
